RE: DA2021/2173 - 394 Barrenjoey Road NEWPORT NSW 2106

Dear assessing officer

I am writing in support of this application to bring our Club up to a standard that can support the current & future needs of the members and the community . As an active member, trainer, and ocean swimmer. This club is very much part of my life and we have lived with cramped and outdated amenities for many years. I hope that you can see how important this application is to the community of Newport and provide a favourable decision.

Regards Elaine.
