**RE: DA2020/0393 - 28 Lockwood Avenue BELROSE NSW 2085**

This is a submission for the development of 28 Lockwood Avenue Belrose (old library site). I am totally in favour of this development and council should support this as it will create much need jobs for the local community.

The development will provided added amenities to the local area and improve the landscape. Currently, there is graffiti and loiterers in the park and the quicker the development is done the better it will be for the surrounding community.

The development will provide an area for families to enjoy surrounding parklands - Application Number DA2020/0393.
