Subject: DA2021/0198 Attn Penny Wood

Dear Madam,

We would like to lodge an objection to the above DA, Lot B DP 306034 (the dark gray tile roof property in foreground of attached photos) - based on the proposed developments future obstruction to our views.

The photos below don't really do justice to the current vista, however by adding one level it will effectively wipe out this view and leave us with the view of the addition.

We also realise that the closing date was 7 April however I was traveling on business in SA and we only had about 3 weeks to respond.

Thank you for your consideration, photos of potential affected view attached.

Yours sincerely

Peter Scrivener
