RE: DA2020/0514 - 1 B Bolingbroke Parade FAIRLIGHT NSW 2094

I strongly believe that this small little kiosk will be a great addition to the area. The area has always been a strong "community centre" and I believe that this further enhances that. Having been in the food industry for many years I know intimately the great value that a kiosk can have on the local community. Kiosks are a great way to bring families, neighbours And friends together in a thriving area and think this will be a great addition and further enhance the local neighbourhood. The additional amenities are a big plus also.
