Dear Northern Beaches Council

We are writing this email in support of DA2024/0946 relating to Pilu Restaurant, Freshwater.

We have lived in Undercliff Road (nearly above Pilu) for more than 12 months and fully support all aspects of the DA submitted by Pilu.

My wife and I are delighted to be living nearby to such an iconic Northern Beaches and Sydney landmark in Pilu. Since purchasing in Undercliff Road, I can categorically say that we have never been impacted by noise or inconsiderate actions emanating from the Pilu site and look forward to many more events and dinners there in the future.

The proposals outlined in the DA will only add to the engagement that the owners of Pilu already have with the local community and area.

Giovanni & Marilyn Pilu are generous, and community focussed people and we feel lucky to have them as our neighbours.

Kind regards

Ted & Jenny Nathan
