

## NOTICE OF DETERMINATION OF DEVELOPMENT APPLICATION

**Development Application No:** DA 2006/222

### DEVELOPMENT APPLICATION DETAILS

**Applicant Name:** NSW Department Of Commerce

**Applicant Address:** 51 - 57 Holt Street Surry Hills NSW 2010

**Land to be developed (Address):** Lot 1, DP 731454, 0P 271 Playfair Road North Curl  
Curl & Lot 286, DP 752038, 0P 271 Playfair Road  
North Curl Curl

**Proposed Development:** Canteen and soft play area

### DETERMINATION

**Made on (Date):** 14 September 2006

**Consent to operate from (Date):** 14 September 2006

**Consent to lapse on (Date):** 14 September 2009

### Details of Conditions

*The conditions, which have been applied to the consent, aim to ensure that the Environmental Impacts of Development are minimised and the Health and Safety of the community is maintained in accordance with the relevant standards and the Building Code of Australia.*

#### **NOTE:**

*If the works are to be certified by a Private Certifying Authority, then it is the certifier's responsibility to ensure all outstanding fees and bonds have been paid to Council prior to the issue of the Construction Certificate or as otherwise specified by Consent conditions.*

*Pursuant to Section 95(2) of the Environmental Planning and Assessment Act 1979, Council has varied the provisions of Section 95(1) and advise that the consent will lapse 3 years from the date upon which the consent operates.*

*Section 95A of the Environmental Planning and Assessment Act 1979, allows for an extension of 1 year to the period in which the consent will lapse, except for complying development. Such an application must be made in accordance with Clause 114 of the Environmental Planning and Assessment Regulation 2000.*

## GENERAL CONDITIONS

### CONDITIONS THAT IDENTIFY APPROVED PLANS

#### 1. Approved Plans And Supporting Documentation

The development is to be carried out in compliance with the following plans and documentation listed below and endorsed with Council's stamp, except where amended by other conditions of consent:

Drawing No.	Drawing Title	Revision Date	Prepared By
A.DA.01-A	Site Compound Plan/Site Analysis Plan	17 March 2006	KDG Architects
A.DA.02-A	Demolition Plan	16 March 2006	KDG Architects
A.DA.03-A	Ground Floor Plan	20 March 2006	KDG Architects
A.DA.04-A	Reflected Ceiling Plan	20 March 2006	KDG Architects
A.DA.05-A	Roof Plan	20 March 2006	KDG Architects
A.DA.06-A	Elevations	20 March 2006	KDG Architects
A.DA.07-A	Elevations and Section	20 March 2006	KDG Architects
A.DA.08-A	Canteen Details	20 March 2006	KDG Architects
A.DA.09-A	Details	20 March 2006	KDG Architects

**Reason:** To ensure the work is carried out in accordance with the determination of Council and approved plans. [A1 (1)]

#### 2. Plans on Site

A copy of all stamped approved plans, specifications and documents shall be kept on site at all times so as to be readily available for perusal by any officer of Council or the Principal Certifying Authority.

**Reason:** To ensure that the form of the development undertaken is in accordance with the determination of Council, Public Information and to ensure ongoing compliance. [A2]

#### 3. Demolition of Extra Fabric

Alterations to, and demolition of the existing building shall be limited to that shown on the approved plans (by way of notation). No approval is given or implied for removal and/or rebuilding of any portion of the existing building which is shown to be retained.

**Reason:** To ensure compliance with the approved development. [A3]

## **CONDITIONS THAT REQUIRE SUBSIDIARY MATTERS TO BE COMPLETED PRIOR TO ISSUE OF A CONSTRUCTION CERTIFICATE**

### **4. Protection of Footpaths and Roadways**

The public footways and roadways adjacent to the site shall be maintained at all times during the course of the work in a safe condition.

***Reason:*** *Protection of footpath and roadways. [C22]*

### **5. Sediment Control**

Where construction or excavation activity requires the disturbance of the soil surface and existing vegetation, details including plans and specifications shall be submitted to Council / Accredited Certifier accompanying the Construction Certificate, which provide adequate measures for erosion and sediment control. As a minimum, control techniques are to be in accordance with Warringah Council Guidelines on Erosion and Sediment Control, or a suitable and effective alternative method. The Control Plan shall incorporate and disclose:

- (a) All details of drainage to protect and drain the site during the construction processes;
- (b) All sediment control devices, barriers and the like;
- (c) Sedimentation tanks, ponds or the like;
- (d) Covering materials and methods;
- (e) A schedule and programme of the sequence of the sediment and erosion control works or devices to be installed and maintained.

***Reason:*** *To protect the environment from the effects of sedimentation and erosion from development sites. [C46]*

### **6. Roofing Materials - Reflectivity**

The external finish to the roof shall have a medium to dark range in order to minimise solar reflections to neighbouring properties. The metal roof shall not be of light colours such as off white, cream, silver or light grey colours.

***Reason:*** *To ensure that excessive glare or reflectivity nuisance from roofing materials does not occur as a result of the development. [C55]*

## CONDITIONS THAT MUST BE ADDRESSED PRIOR TO ANY COMMENCEMENT

### 7. Silt & Sediment Control

Provision shall be made throughout the period of demolition / Excavation & Construction to prevent transmission of soil to the public road and drainage system by vehicles leaving the site.

**Reason:** *To avoid siltation to adjoining properties and waterways. [D1]*

### 8. Notice of Commencement

At least 2 days prior to work commencing on site Council must be informed, by the submission of a Notice of Commencement in Accordance with section 81A of EP & A Act 1979 of the name and details of the Principal Certifying Authority and the date construction work is proposed to commence.

**Reason:** *Legislative requirement for the naming of the PCA. [D4]*

### 9. WorkCover

Your attention is directed to the need to seek advice of your obligations from the WorkCover Authority prior to the commencement of any works on the site.

**Reason:** *Statutory requirement. [D5]*

### 10. Public Liability Insurance - Works on Public Land

Any person or contractor undertaking works on public land must take out Public Risk Insurance with a minimum cover of \$10 million in relation to the occupation of, and approved works within Council's road reserve or public land, as approved in this consent. The Policy is to note, and provide protection for Warringah Council, as an interested party and a copy of the Policy must be submitted to Council prior to commencement of the works. The Policy must be valid for the entire period that the works are being undertaken on public land.

(Note: Applications for hoarding permits, vehicular crossings etc will require evidence of insurance upon lodgement of the application.)

**Reason:** *To ensure the community is protected from the cost of any claim for damages arising from works on public land. [D17]*

## CONDITIONS THAT MUST BE COMPLIED WITH DURING DEMOLITION AND BUILDING WORK

### 11. Dust Emission and Air Quality

Materials must not be burnt on the site.

Vehicles entering and leaving the site with soil or fill material must be covered.

Dust suppression measures must be carried out to minimise wind-borne emissions in accordance with the NSW Department of Housing's 1998 guidelines - Managing Urban Stormwater: Soils and Construction. Odour suppression measures must be carried out so as to prevent nuisance occurring at adjoining properties. This Condition must be complied with during demolition and building work.

**Reason:** *To ensure residential amenity is maintained in the immediate vicinity. [E18]*

### 12. Construction Hours

Building construction shall be restricted to within the hours of 7.00 am to 5.00 pm Monday to Friday and on Saturday to within the hours of 8.00 am to 1.00 pm inclusive, with no work on Sundays and Public Holidays.

Demolition and excavation works shall be restricted to within the hours of 8.00 am to 5.00 pm Monday to Friday only. (Excavation work includes the use of any excavation machinery and the use of jackhammers, rock breakers, excavators, loaders and the like, regardless of whether the activities disturb or alter the natural state of the existing ground stratum or are breaking up/removing materials from the site).

The builder and excavator shall display, on-site, their twenty-four (24) hour contact telephone number, which is to be clearly visible and legible from any public place adjoining the site.

**Reason:** *To ensure that works do not interfere with reasonable amenity expectations of residents and the community. [E26]*

### 13. Installation and Maintenance of Sediment Control

Techniques used for erosion and sediment control on building sites are to be adequately maintained at all times and must be installed in accordance with Warringah Council guidelines. All techniques shall remain in proper operation until all development activities have been completed and the site fully stabilised. This Condition must be complied with during demolition and building work.

**Reason:** *To protect the environment from the effects of sedimentation and erosion from development sites. [E28]*

#### **14. Health and Safety**

The work undertaken must satisfy applicable occupational health and safety and construction safety regulations, including any WorkCover Authority requirements to prepare a health and safety plan. Site fencing must be installed sufficient to exclude the public from the site. Safety signs must be erected that; warn the public to keep out of the site, and provide a contact telephone number for enquiries. This Condition shall be complied with during demolition and building work.

Further information and details regarding occupational health and safety requirements for construction sites can be obtained from the Internet at [www.WorkCover.nsw.gov.au](http://www.WorkCover.nsw.gov.au).

***Reason:** To ensure the health and safety of the community and workers on the site. [E30]*

#### **15. Plant & Equipment Kept Within Site**

All plant and equipment used in the erection of the building, including concrete pumps, wagons, lifts, mobile cranes, etc, shall be situated within the boundaries of the site and so placed that all concrete slurry, water, debris and the like shall be discharged onto the building site, and is to be contained within the site boundaries. This condition shall be complied with during demolition and building work.

***Reason:** To ensure public safety and amenity on public land. [E36]*

#### **16. Applicant's Cost of Work on Council Property**

The applicant shall bear the cost of all works associated with the development that occurs on Council's property.

***Reason:** To ensure the proper management of public land and funds. [E38]*

#### **17. Maintenance of Road Reserve**

The public footways and roadways adjacent to the site shall be maintained at all times during the course of the work in a safe condition.

***Reason:** Public Safety [E39]*

## OPERATIONAL CONDITIONS IMPOSED UNDER EP&A ACT AND REGULATIONS AND OTHER RELEVANT LEGISLATION

### 18. Compliance with the Technical Provisions of the State's Building Laws

All building work must be carried out in accordance with the provisions of the State Building Laws.

*Reason: Prescribed - Statutory.*

### 19. Demolition

Demolition work must be undertaken in accordance with the provisions of AS2601-Demolition of Structures.

*Reason: To ensure that work is undertaken in a professional and responsible manner and protect adjoining property and persons from potential damage. [F6]*

### 20. Site Sign

- (1) A sign must be erected in a prominent position on any work site on which work involved in the erection or demolition of a building is being carried out:
  - (a) stating that unauthorised entry to the work site is prohibited;
  - (b) showing the name of the principal contractor (or person in charge of the work site), and a telephone number at which that person may be contacted at any time for business purposes and outside working hours; and
  - (c) showing the name, address and telephone number of the Principal Certifying Authority for the work.
- (2) Any such sign must be maintained while building work or demolition work is being carried out, but must be removed when the work has been completed.
- (3) This condition does not apply to building works being carried out inside an existing building.

*Reason: Statutory requirement. [F9]*

### 21. Toilets

- (1) Toilet facilities are to be provided, at or in the vicinity of the work site on which work involved in the erection or demolition of a building is being carried out, at the rate of one toilet for every 20 persons or part of 20 persons employed at the site.

- (2) Each toilet provided:
- (a) must be a standard flushing toilet, and
  - (b) must be connected:
    - (i) to a public sewer; or
    - (ii) if connection to a public sewer is not practicable, to an accredited sewage management facility approved by the Council, or
    - (iii) if connection to a public sewer or an accredited sewage management facility is not practicable, to some other sewage management facility approved by the Council.
- (3) The provision of toilet facilities in accordance with this clause must be completed before any other work is commenced.
- (4) In this clause:

**accredited sewage management facility** means a sewage management facility to which Division 4 Sub-division 5 of the Local Government (General) Regulation 2005 applies, being a sewage management facility that is installed or constructed to a design or plan the subject of a certificate of accreditation referred to in of the Regulation.

**approved by the Council** means the subject of an approval in force under the Local Government (General) Regulation 2005.

**public sewer** has the same meaning as it has in the Local Government (General) Regulation 2005.

**sewage management facility** has the same meaning as it has in the Local Government (General) Regulation 2005.

**Reason:** *To ensure adequate facilities are provided for workers on the site. [F10]*

## CONDITIONS WHICH MUST BE COMPLIED WITH PRIOR TO USE OR OCCUPATION

### 22. No Occupation or Use of Premises Until all Conditions have been satisfied

The development the subject of this consent is not to be used or occupied until all conditions of consent have been complied with.

**Reason:** *To ensure compliance with this consent.*

### **Right to Review by the Council**

You may request the Council to review the determination of the application under Section 82A of the Environmental Planning & Assessment Act 1979. Any request to review the application must be within 12 months after the date of determination shown on this notice.

*NOTE: A fee will apply for any request to review the determination.*

### **Right of Appeal**

If you are dissatisfied with this decision Section 97 of the Environmental Planning & Assessment Act 1979 may give you the right to appeal to the Land and Environment Court within 12 months after the date on which you receive this notice.

**Signed**                      on behalf of the consent authority
