RE: DA2020/1173 - 14 Ernest Street BALGOWLAH HEIGHTS NSW 2093

DA2020/1173 - 14 Ernest St, Balgowlah Heights

I write to object to the above submission as it is non compliant with:-

Height of building

Eastern side setback

Eastern Wall Heights

Total Open Space

and some others. If they make changes that do then comply, I would be happy to see them proceed. But I definitely object to the current design.
