Dear council,

Along with many local residents, I have learnt with alarm of a proposal to site a McDonalds on the corner of Roseberry St.

My primary concern is about traffic.

As a resident of King St I pass through this area on a very regular basis.

The roundabout by the proposed location - and the nearby lights on Condamine - is the only major traffic problem area locally.

Traffic is regularly banked up at both the roundabout and the lights - even out of busy times of day.

We cannot consider adding a McDonalds and all the associated traffic to the existing mayhem.

Please do not allow this proposal to go ahead.

Many thanks
