Dear Mr Stokes and the planning panel members,

I'd like to add my voice to the request from Newport residents to be consulted as part of the process to decide how best to develop Robertson Rd. This is the only opportunity we have for being able to create a village feeling for Newport which is sorely lacking. Robertson Road has the potential to be the village hub for Newport with high pedestrian traffic and low vehicular traffic, but a garage entrance onto Robertson Road would destroy this opportunity.

Kind Regards
