RE: DA2024/1216 - Gourlay Avenue BALGOWLAH NSW 2093

Development Assessment Team,

I am submitting my objection once again. Although the amendments have been added I think they still impact the ambience of the area from Manly Harbour Beach to North Harbour. Delwood is. Quiet family beach but, lately we have large vessels mooring off it with the occupants playing loud music and the boats endangering the people who swim off it. Also, where are the ten boats in North Harbour going to moor their boats. It seems that the concerns of the people who live in the local area are once again being overlooked.
