RE: DA2018/1924 - Forest Way FRENCHS FOREST NSW 2086

Hi there,

Heard the plans for the redevelopment of the new Forestway Shopping Centre- Great!
Heard that all the extra traffic will be heading along Grave Ave ==> Deakin St ==> Bentley Ave
==> and onto our Street Brown Street. - NOT A GREAT IDEA
Brown street is already quite congested and the idea of extra traffic for those heading south
isn't great. I also hear long term plans to close Russell Avenue which would seem to be the
logical place to have main road access to/from the shopping centre onto Warringah Road.

My vote will definately follow logic. Thanks
Greg
