RE: DA2020/0263 - 59 Myoora Road TERREY HILLS NSW 2084

I have put a submission in for 59 and those comments remain for this proposal. In addition I think if there is to be interaction between the two sites we need to see how they intend to do this. If any retailing is intended I feel a lot of work is needed on traffic studies and access to and from the site. The area is already very congested particularly at peak and school times.
