Mona Vale NSW 2103

**RE: DA2024/0675 - 84 Mona Vale Road MONA VALE NSW 2103**

Fully support this application and looks like a great use of excess car parking space for all the community (old and young) to use for sports and fun! Pickleball as a sport is growing so rapidly globally and in Australia and for good reason, it is a fun, low impact sport which all ages, genders and abilities can play and the more developments we see promoting fitness and fun in our community the better.
