RE: DA2022/1975 - 231 - 233 McCarrs Creek Road CHURCH POINT NSW 2105

I wish to inform you that I do have objections to trees being removed or specified to be retained on my property located at 235 McCarrs Creek Rd, Church Point.

No permission is given at this early stage until we have our final designs with relevant arborist recommendations

We are open to discussion once we know the impact certain trees will have on our overall design
