## Heritage Impact Statement

**Address: 9 Wentworth St Manly NSW 2095**

**Lot: 33**

**DP: 1017433**

**HERITAGE IMPACT**

What are the important heritage features of the property? (e.g. *The Federation style house, the original bam, the character of the street*)

The proposed changes will have next to no impact on the building or street scape

**General**

Can all the important heritage elements of the heritage item and/or HCA be kept?

Yes

Are the changes to the building/garden/landscape required because of a change of use?

No

Does the existing use contribute to the significance of the heritage item?

No

Are the form, proportions, design, materials, colours, architectural details of the proposed new work sympathetic to the heritage item and/or HCA?

Yes

Will the new work (eg new structures or additions) visually dominate the heritage item and/or HCA?

No

## Heritage Impact Statement

<b>Address: 9 Wentworth St Manly NSW 2095</b>	
<b>Lot: 33</b>	<b>DP: 1017433</b>
<b>Demolition</b>	
Is the demolition essential for the heritage item to function?	Yes
Are important or particular features of the heritage item or HCA affected by the demolition?	No
If the partial demolition is a result of the condition of the building, is it certain that it	Yes
<b>Repainting</b>	
Has the original colour scheme been investigated?	No
Coles is rebranding and the new colour scheme is inline with the new national colour scheme	
<b>Reroofing or re-cladding</b>	
Have the original design, details and materials been investigated?	N/A
If no why is a different design or material being proposed?	
<b>New services</b>	
Has the impact of the new services on the heritage fabric of the item been minimised	
Will they be visible externally?	
<b>Solar</b>	
If your development includes solar panels or solar hot water will they be visible from the public domain? E.g. the street, lane, park
