RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

I am against putting a mobile phone tower in a public park close to playgrounds, sports grounds, a school and a lagoon area that is under rehabilitation. It will take up valuable public space that is already well utilised. I live close by and have never had a problem with phone signal so not sure it is even necessary.
