RE: DA2023/1224 62 Myoora Road TERREY HILLS NSW 2084

There shouldn't be any truck movements on Myoora Rd as indicated from Flower Power site nor any trucks movements from Cooyong Rd intersection with Myoora Rd. Being so close to the school could very well lead to horrific injury or death Over the years much advertising has been done by RMS in regards to the blind spots in truck drivers vision which cannot be disputed in any way

This proposal is too dangerous. There are already too many truck and bus movements on Myoora Rd and it's disappointing that Flower Power even thought that such a proposal was possible.

Obviously they care little for the Terrey Hills community
