RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I would like to register my strong objections to these development plans as it still does not meet the Newport Master Plan. In particular, this development is unsightly and does not enhance a village feel for the area. Robertson road should have a plaza style feel with pedestrian access etc. Why is there vehicle access on Robertson road. I love my Newport and previous poorly planned developments like this one have detracted from what it should be. As a rate payer and voter please listen to the community.
