**RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106**

The councils own master plan would need to be abandoned should this new DA be approved. Common sense has to prevail. Please don't let a for profit developer ruin our community. They come in with their big bank accounts, build their ugly builds then move on with no care to the carnage they leave behind. We have an opportunity to do something. Please don't approve this.
