RE: DA2019/1260 - 29 North Avalon Road AVALON BEACH NSW 2107

Good Afternoon

This development lets us down in many ways.

1/ too many parked cars in an already crowded street

2/ Not in keeping with the nature of its surrounds

3/ Increased traffic congestion during large scale construction and increased traffic movements even after completion

4/Too many trees removed, taking a long time to re-establish themselves

thank you for your time

David Watson
