**RE: DA2020/1039 - 15 Jubilee Avenue WARRIEWOOD NSW 2102**

Hi there

I am very disappointed to hear this plan actually. I also work on Daydream street (off jubilee) and I know how busy the area is. I am very concerned that the the DA proposal will increase more traffic plus our staff members are actually struggling to park off the road as there is not enough parking spot available. It is close to the RSL club as you know - there are lots of old people are walking around, also lots of families are out and about. I have been requesting to put a round-about on the intersection of Jubilee and Foley street and this hasn't been actioned either. Are you going to kill us? plus, there will be lots of noises, lots of polutions. Please don't destroy our beautiful Warriewood.
