Re Trees on border of our respective properties

Dear Jim.

As previously discussed on more than one occasion we are writing to request that you remove the large casuarina trees that are on both our boundaries. These trees have over the years grown to such a size that they have become impossible for us to live with anymore. They must be now over 60 feet in height, and are overshadowing our house so that we are deprived of any sun on our house throughout the year, necessitating excess heating costs in winter.

We have had several quotations for the installation of solar panels on our roof and at the same time have been told that with the shadowing on our roof from these massive trees will make such installation inoperative.

Pam is so concerned about these huge trees during bad weather that she refuses to sleep upstairs incase one, or all, of them come crashing down onto our bedroom.

We would appreciate your urgent attention to this matter by making the necessary arrangements to remove the offending trees.

Thanks for your co-operation in the past, its very comforting to have such understanding good neighbours

pp
Maurie & Pam Wilmore
