RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Re DA2023/1289 1112 1116 Barrenjoey Road Palm Beach 2108

The proposed development gives no consideration to the local environment and character of Palm Beach. The height, bulk and scale of this proposal would have a negative impact on the streetscape of Palm Beach. It is essential that Palm Beach retains its village atmosphere

I strongly object to the development as proposed

This application should be rejected
