**RE: DA2021/1164 - 521 Barrenjoey Road BILGOLA BEACH NSW 2107**

The development will disrupt traffic on an already very busy road into Avalon and the loss of bush land might affect the lovely natural entry into Avalon and disrupt wildlife corridors which make the northern end of the peninsula so special. The scale of the dev seems oversized for its location. Such a shame if we lose the ability to live in harmony with nature if this sets a precedent for other developments similar to this in equally inappropriate areas.
