Waste Management Plan/Report (Construction & Demolition)

PROPOSED ALTERATIONS AND ADDITIONS TO

592 Pittwater Rd, North Manly, NSW 2100

REPORT TO BE READ IN ASSOCIATION WITH:

- Architectural Plans prepared by ANN GROUP P/L.

1. REPORT

This Report declares that the proposed design does not involve any demolition (and involves a minimum lightweight construction) which result in no waste and no stock pile requirements.

Please contact Nguyen Quach of Ann Group P/L for further enquiries.
