34 Turimetta Road
Mona Vale, NSW
Project Reference: 2021135

To whom it may concern,

RE: ALTERATIONS AND ADDITIONS AT 34 TURIMETTA ROAD, MONA VALE – CIVIL DESIGN STATEMENT

Greenwood Consulting Engineers has designed the stormwater for the above address (Drawing Numbers: SW01-SW05 (18-08-21)) and confirm that the plans have been completed from the architectural plans prepared by Rapid Plans (Drawing No's: DA1000 – DA 1015, DA2001 – DA2004, DA3000 – DA3003, DA4000 and DA4001).

The design and documentation is in general compliance with the National plumbing and drainage code AS3500.3, Northern Beaches (Region 1) Council's DCP and the RFI dated 13/05/2021 (DA2021/0409).

I am an appropriately qualified and competent person in this area and as such can certify that the design and performance of the alterations & additions to the address above will comply with the above Australian Standards. I possess indemnity insurance to the satisfaction of the building owner or my principal.
