RE: DA2019/0550 - 63 Beacon Avenue BEACON HILL NSW 2100

On reviewing plans DA2019/0550 @ 63 Beacon Ave Beacon Hill, I am not happy with the location of the pool filter, as it is sitting parallel with & in close proximity to two bedrooms at 61 Beacon Ave. I have major noise concern issues, despite plans indicating soundproof containment. I would like the pool filter to be relocated to the boundary closest to the newly proposed pool deck REF RL 110.20 as per plans.

Sincerely ,

Heather Mortlock-Chapman
