RE: DA2019/0123 - 80 - 82 Mona Vale Road MONA VALE NSW 2103

I live opposite the car park at Pittwater RSL. The noise I am currently subjected to is currently unacceptable. Cars, trucks, garbage removal including glass bottles takes place from Monday to Saturday. It is now almost impossible for me to cross the road as I am elderly and we have inadequate pedestrian availability and no designated crossing. The only day I can take a walk without large trucks will be denied me.

I have been told that setup on Sunday may start as early as 4.00am and that live music is to be provided. Sunday is the only day of relative peace. I am strongly apposed to the proposed markets.
