**RE: DA2024/1362 - 40 Myoora Road TERREY HILLS NSW 2084**

Please if you could ensure music is indoors and also vehicle access and parking is managed responsibly. I agist my horse on the property next to the public school, so wish to ensure a peaceful and safe life for the horses who live there and also the 93 year old owner of the property. Traffic is already heavy for a minor single lane road (Myoora), before absorbing additional traffic from the new hospital and enlarged Flower Power. Thank you.
