I wish to lodge my concern regarding
 parking in relation to a granny flat
 being built.

at present there are at least two vehicles
 at the property one parked in the
 carport and one on the street.

as you have stated there is no
 provision for parking in relation to
 the granny flat and I feel this will
 have an impact on the street scene

already the buses have difficulty
 coming down the street at various

times. Plus it impacts on me coming out of my driveway.

I would like the parking situation to be looked into.

I look forward to your response

Kindest Regards
Christine Curran
