Attention: Renn Holland

Dear Renn,

Re: Warringah Mall redevelopment – Stage 1.
145 Old Pittwater Road, Brookfield

Further to our BCA compliance report dated 11 December 2008, Please note we have reviewed the following architectural drawings prepared by Westfield Design & Construction Pty Ltd, numbered; DA 01.5201, DA 01.5202, DA 01.5203, DA 01.5204, DA 01.5205, DA 01.5206.

It is anticipated that due to the size and nature of the building, there will be alternate solutions that address non-compliances with the deemed to satisfy provisions of the BCA. The alternate solutions will be assessed against the relevant Performance Requirements of the BCA by suitably qualified persons.

Where items for which an alternate solution is prepared relate to Category 2 items under the Environmental Planning & Assessment Regulation 2000, approval will be required by the NSW Fire Brigade as part of the Construction Certificate process.

The review of the design has demonstrated that the proposed works are capable of complying with the BCA.

Yours faithfully

Giby Keenammavu
