RE: DA2022/0469 - 1102 Barrenjoey Road PALM BEACH NSW 2108

I am part of an extended family that owns a beach house at Mackerel Beach and I visit Palm Beach and Mackerel Beach several times a year. The proposed development next to Barrenjoey House is completely unsympathetic to the natural landscape and out of character with the existing heritage building. Please reject this proposal and encourage the developers to come up with a plan that respects the surroundings.
