Subject: Re Property at 27 Walworth Ave Newport

Re : DA 2021/0404 LOT 24 DP 9877

_____ + _____

ATTENTION : Jordan Davies / Planner

I have a small concern as to the height of the proposed building.

Obviously, we do not want to have any impediment to the present district and water views . Clearly this could impact us socially and financially.

A good solution

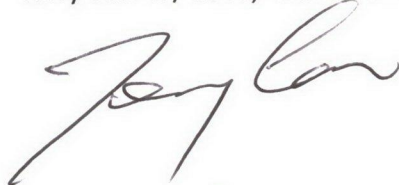

I would like to see a pole erected at the highest point of the proposed dwelling.

This would allow us to judge any impact to our primary view from the kitchen /dining/ and outdoor living areas.

In anticipation of your support to this suggestion.

Yours Sincerely

Terry Carr 2 / 23 A , Walworth Avenue. NEWPORT.
