To Daniel,

Re **DA2019/1274 Application – Pittwater House Schools**

In answer to the *Development Engineering Referral Response* dated 22 January 2020, we enclose additional information and revised report prepared by Stellen Consulting.

In addition to these documents, we have attached a set of Architectural Drawings. This set of drawings corrects a discrepancy between two different annotations for clarity. Please let us know if you have any questions about this.

Please do not hesitate to get in touch if you have any questions or require additional information.

Yours faithfully,
