Subject: DA2022/0145 4 Delmar Pde Dee Why

I support the objections to this development already submitted by the Stony Range Regional Botanic Garden. Overshadowing in winter will affect the vegetation on the northern side of the reserve and affect the ambience and usability of the picnic area.

The building's 8 storey presence will loom over that side of the reserve impacting its well deserved heritage value and character.

Please refuse or insist on modifications in this development application.
