RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Dear there,

As a Newport homeowner, I am really concerned about this project to our suburb. It looks like is going to be a big waste of money and degrade the Newport Beach image. Instead of going for a big concrete and a prison look, our beautiful suburb should be gifted with a building and investment that will give our community more eat out options. It should bring a funk, environmental and clean look to attract more tourists and families to spend some time here. In our community we love to be outdoors, we love to be with our kids and family, we love to take our dogs for a walk, we love our coffee! Building a horrible concrete closed build is a loss to everyone. To the investors, comunit and counsel.
