**Subject:** Proposed development DA2018/1924 FORESTWAY SHOPPING CENTRE  
FRENCHS FOREST

Dear Sir,

Is expansion of Forestway Shopping Centre needed? With the Town Centre planned for the Forest High site in the near future. Many empty shops in the Forestway Centre now and the trend to "on line" buy and have home delivery.

Concern with impact on our neighbourhood with increased traffic, danger to children from increased delivery trucks with Frenchs Forest Primary School along side the Centre.

With the move to make "left turn only" from Russel Avenue, most trucks and traffic wanting to turn right will have no alternative but us the local, narrow residential streets. These streets, particularly Grace Avenue, are already heavy with existing local traffic.

Please consider my points and think of local residents instead of developers dollars.

Thank you.

Yours faithfully,

Beverley Sattler  
8 Deakin Street,  
Forestville 2087.
