**RE: Mod2021/0203 - 1102 Barrenjoey Road PALM BEACH NSW 2108**

I am surprised that this unsympathetic development has got this far.  
Has the Palm Beach Whale Beach Association put in a submission against this development?  
This is shocking. Is the quaint coastal Palm Beach shopping area from the ferry wharf to the  
old greedy goat site soon going to resemble the Eastern Suburbs?
