Application No. DA2020/1097  
Address. Part Lot 2743 DP 752038 Passmore Reserve (District Park)  
Campbell Parade Manly Vale  
Description: Alterations and additions to Sportsfield Lighting.

As a resident/owner of a home unit on the second floor of a block of 18 Units at 27 Campbell Parade, I look out onto Passmore Reserve.  
I am totally against the proposed development ie the alterations and additions to sports field lighting on Passmore Reserve.  
I feel it is totally unnecessary and it is an intrusion into the privacy of many residents in the surrounding area.  
The installation of strong sportsfield lighting to allow late night activities will increase the night time traffic, parking problems and noise in the area all of which will be extremely disturbing to the community who reside in the area.

Yours sincerely,  
Christine Elliot.
