**Subject:** Additional material: Notice of Objection to DA2019/0883

**Northern Beaches Council**

**Re Application# DA2019/0883**

**Lot 1 DP 22361 2A Ruskin Rowe Avalon Beach**

Further to our e-mail correspondence of Sept 9th...

Please find two photographs each of which looks toward our boundary-in-common.

- The first shows a view from our **main bedroom** to our courtyard, the lily-pily hedge, and (beyond to) the cabbage tree palms trees growing at 2A Ruskin Rowe.
- The second view illustrates the experience of **being in** the courtyard and looking in the same direction.

Both pictures are worth many words — they illustrate the privacy and beautiful natural environment that attracted us to the property in the first place.

We trust these images can be viewed together with our letter — in order to make a fair and reasoned resolution of our objection.

If there is any doubt about our claim **please** arrange a visit to further understand our concerns.

Yours sincerely

Adrian Boddy and Traudi Line
