RE: DA2021/0004 - 1121 Pittwater Road COLLAROY NSW 2097

To whom it may concern,

I am in total favour of having a state of the art Veterinary clinic in the heart of Collaroy. It would be extremely handy to me from Dee Why, and ticks all the boxes for me & my 2 dogs, ample onsite parking & first class Veterinary services & daycare facilities.

Having lived on the Northern Beaches since the mid 60's I'm aware of how many people residing on beaches own pets & who need a Vet they can trust. I think this opportunity would do wonders for the Northern Beaches Community.

Thank you for your time.
Regards,
Jody Shepherd
