RE: DA2022/2281 - 80 Undercliff Road FRESHWATER NSW 2096

In relation to Development Application 2022/2281, I object to any increase in the number of patrons allowed on site or the expansion of the Business, based upon the limited amount of public car parking currently available for beach users.

Any increase in the patronage of Pilu's will only exacerbate the limited number of parking spaces currently available to the public who wish to use the beach.

Why should Pilu's be allowed to use a public facility (car parking) to facilitate the expansion their private business model.

Please ensure that the public car parking is used only for the public.
