RE: DA2019/0154 - 1955 Pittwater Road BAYVIEW NSW 2104

DA2019/0154

We are fortunate to live in a house designed by the Pittwater architect, Bruce Rickard.

The proposed development next door will overshadow both our house and front balcony spoiling both our house design and or privacy.

Other problems with the proposal include:

- 1) not enough parking space for the number of cars
- 2) Our phone line runs through the 1955 property.
- 3) the proposal is out of character with the surrounding houses.
