Subject: TRIMMED: Development Application : DA 2023/0868

Please be advised that I strongly object to the above development application regarding 37-43 Hay street, Collaroy.

High rise is totally inconsistent with the area. Traffic & parking in this area is already stretched due to street width. This development would Certainly exceeds the areas low density, low impact requirement's & sets an unwanted precedent.

Please be advised this is a formal objection to this development application.
