RE: DA2024/1362 - 40 Myoora Road TERREY HILLS NSW 2084

We support the application made for a new Boathouse venue in Terrey Hills. The proposal in my opinion adequately addresses the concerns of locals including significantly more parking on site than has been provided for in other venues, and are implementing substantial landscaping and new plants across the site in a rural type setting. Live music and quality restaurant offerings will be a great addition to the area.
