RE: DA2021/2480 - 2 Wattle Road BROOKVALE NSW 2100

I do not agree that there is sufficient parking available in the surrounding streets at any time. We are unable to park our cars within 100m of our property even after 7pm at night due to the number of gyms, dance studios and smash repairs with cars parked on street. Visitors have to park in our driveway and we have to shuffle cars to get out. Delivery vans are often parked across the drive.

The additional strain of more cars looking for parking would not be able to be supported and this should be reconsidered.
