RE: Rezoning of 39 Cabbage Tree Road Mona Vale

Bayview Golf Club would like to lodge its objection to the rezoning of 39 Cabbage Tree Road.

Bayview Golf Club is a community based sporting facility which requires constant maintenance. The club has invested large sums to improve the facility for the benefit of members and social players most of whom reside in the Pittwater municipality. This land is situated adjacent to the clubs maintenance facility which is already under pressure from local residents in regards to start times.

The club is concerned if this land was to be rezoned residential a future owner & resident of the property may place further pressure on the operations of the maintenance facility, thus making it virtually impossible for the club to maintain its facilities to a standard expected within the industry.

This block of land also backs onto our 3rd fairway and may be in danger from errant golf balls from time to time. At the time of design (some 40 years ago) the hole was not designed in mind with a residential property situated in this position.

We thank you for the opportunity to lodge this objection and trust you will consider the points raised above prior to making any decision.

Regards

Nigel Gibson
General Manager
