To whom it may concern

As the Member for Manly I am writing to express my strong support for the development application for alterations and additions to an existing community facility and use of the premises as a child care centre at 25 Lawrence Street Freshwater. I understand the Hall is being renovated in order to properly accommodate Harbord Kindergarten within the premises.

The Harbord Kindergarten and the Freshwater Girl Guides Hall both provide a wonderful service to the community in the electorate of Manly.

The redevelopment of the Hall so that the Kindergarten can be accommodated would provide positive benefits to families living in Freshwater. As such, I wholeheartedly support the application for the kindergarten to be able to be located within the Girl Guides Hall.

Yours sincerely
