**RE: REV2021/0034 - 231 Whale Beach Road WHALE BEACH NSW 2107**

231 Whale Beach Road, Whale Beach  
DA 2020/0442

As a resident of Palm Beach I am familiar with the site of the above DA and the condition of the commercial premises within its boundaries.

I have looked at the DA and the recent summary from the architect and do not wish to express any objections.

As to having the cafe at beach level this is a far more practical location and I think will add to the amenity of the beach front.

Regards

William Chamberlain
