I wish to submit an objection to Application DA 2019/0191. I live in the adjacent property at 6/4 West St, Balgowlah. My concerns for the proposed foot print for the dwelling is it will impact my privacy due to the close proximity of the structure to the southern boundary of my property. I have further concerns about the orientation of their entertaining area and the associated noise. I am aware that the wash of their lights from this proposed dwelling will also impact me. Even though the placement of the drive way may be obscured regarding headlights being directed into my property the associated noise from vehicles will be significant.
